## Bee Gee Luncheon Cleveland, October 26

The graduates and former students of the Bowling Green State College to the number of over one hundred enjoyed a luncheon at the Hotel Auditorium, Cleveland, on October 26 in connection with the annual meeting of the Eastern Ohio Teachers Association. This was the first gathering of this kind of the friends of the college which has been attempted at the time of the Cleveland teachers meeting. Erwin Price and Stuart Himes arranged the meeting which proved to be a very enjoyable affair. After the luncheon an impromptu program consisting of a vocal solo by Anadel Short, 95th Street, Cleveland, a sophomore music student, announcement of the homecoming by Rachel Conn, senior, Toledo, and greetings by President Williams was given and officers for the next year were chosen. The response was very much larger than was expected. The number of guests served, according to the check of the head waitress, exceeded one hundred. The college has every reason to be proud of its former students who are teaching in and about Cleveland—proud of their record as teachers and proud of their enthusiasm and loyalty. A partial list of those in attendance is as follows:

## College Luncheon

The Bowling Green State College Alumni of Northwestern Ohio had a very enjoyable luncheon on last Friday noon, Oct. 26 on the ninth floor of LaSalle & Koch's. This is an annual event on the occasion of the Northwestern Ohio Teachers Association meeting which convenes for a two-day ses-sion each fall. About one hundred and twenty-five loyal supporters of the college gathered around the tables to enjoy this an-nual get-together. The luncheon was in charge of Prof. C. A. Biery who arranged for a very short program of music direct-ed by Mr. W. C. Jordan with Mrs. Jordan at the piano. In order to acquaint the alum-ni with the new college hymn, this new creation was made a part of the program in the form of a solo played by Joseph Jordan and then sung by the group with trumpet and piano accompaniment. The speaking program consisted of an announce-ment of the homecoming program by Wilber Rider, class of 1931. The luncheon was spirited and greatly enjoyed by all present.

**SPORT NEWS**

Before the shower of old shoes, tomatoes, eggs, and grape fruit begins, we offer a word in self-defense. Admitting that the coverage of college sports has been very deficient this year, we do not feel we should take the entire blame, inasmuch as a great share of it lies with the Physical Education Department itself.

We believe that our sports writers are efficient and capable, and, given an opportunity, that they could turn out a real Sports Page. But our reporter is refused transportation to the out-of-town games, and thus the only mention of the Hiram game was a one-line item in the announcement column.

Most high schools provide a better system than we do. Fostoria High (with an enrollment about like this college's) even brought along a small telephone system and had a newspaper with an account of the game on sale as the fray ended. That was last year against Bowling Green High School.

Last week our Intramural reporter received the first real assistance of the year. We hope that this symbolizes a change of attitude and that our Sport News may have the cooperation of the Physical Education Department.

Two freshmen were forced to drop out during the first week of school because of illness. They were Dorothy Webber from Holgate and Martha Wright of Continental.

Do you know that 'Utopian' Sinclair has a political brother here on our staff? My, my, but I feel sorry for that lady who was helping ascertain the voting strength of our city. She was so severely chastized.

In a certain store window were the pictures of the local and county politicians who are seeking office. Among them a sign read "Your Choice, 50 cents".

This saturated weather is a bad sign for the Republicans. Oh well! Lightning very seldom strikes in the same place more than four times. Politicians either don't have a platform or they forget it while they pan each other.

Coach Steller and his boys crossed us up Saturday. They beat Capital U 13 to 0., and "Cross-Eyed Kelley's" run didn't count either.

An over-heard remark, "This college has the poorest excuse of pep and spirit. We attend classes, fold our hands, stare blankly, and learn. The door mat said "Welcome" in September, now it says "Wipe your feet". Can't something be done?"

**CHAPEL**

Our chapel was something different in some ways according to V. Sinclair (but he can't be trusted). You know it was sponsored by the Social Committee.

President Williams opened the exercises with a few comments on the aspects of a possible college political organization—Dem?. The college orchestra then followed with the March "On Wisconsin." Lawrence Ringenburg rendered a trumpet solo the "Intermezzo Cavalleria Rusticana." The students and orchestra combined forces in a 'college sing' for the remaining of the exercises. Good singing and whistling made the program very entertaining. We have a few Bing Crosby's.—K. H. S.

**To Verdant Freshmen**

Verdancy is the most promising feature of Nature, promising as it does fruits of riotous colors. In this autumn atmosphere the dry, sere leaves, yellowed and browned, fall wistfully, sighing in envy of the noble evergreens. "Be still, sad heart, and cease thy pining."

Envy we the evergreens? Nay, for envy is a fire which burneth from within. Rather, oh verdant youth, we rejoice at your verdure, we await the promised budding forth into wholesome fruit of mellowed ripeness.

### Delhi Dope

Your Delhi dopest dropped in at the new house on Prospect street the other day and ran into the crime of the century. Some dirty so and so stole the Delhi cat! The boys were three shades bluer than the inside of an artist's beret and didn't even say anything about the Delhi's homecoming dance which has been the chief topic of discussion recently. The dance, by the way, will be held in the Women's gym, Saturday, Nov. 3rd, from 9 to 12 P. M. with Johnson's Ambassadors supplying the necessary rhythms. A large number of alumni are expected back for this gala event, with Lyle Beck leading the procession. Lyle has been such a frequent visitor at the house on week end that some of the fellows don't know he is not a Bee Gee student this year. There seems to be some question as to whether it's Beck or Berry attending O. S. U. They pass one another so often on the way to and from Columbus that they are considering attending one another's classes to save time. Such is the power of love.

The Delhis were roused from their mourning long enough to wax enthusiastic over the Five Brothers idea of more rallies. We're for bigger and better rallies and think the Five Brothers did a great job of reviving a college spirit that was deadlier than last year's Biology experiment (which is probably what happened to our cat.)

Have you noticed how the boys are gaining weight? Mrs. Berry's food is probably the answer. Bill claims it's because he keeps 'em laughing which is an aid to digestion and he's the little wonder builder upper—Bill you're a pill.

Better dope if our cat is returned before next week. If not, I'll hire a ghost writer—to haunt you—you dope.

### Shatzel Hall Notes

Twelve Shatzel girls whose birthdays were in October were honored with a big dinner and a birthday cake Wednesday evening, Oct. 24. The dining room was dimly lighted, and Jack-O-Lanterns were hidden in shocks of corn fodder. Several outside guests helped the girls to celebrate.

Vacation is over! From all reports the girls of Shatzel had an enjoyable vacation renewing friendships back in the "good old town." Numerous times the doorbell could be heard ringing after ten. Better tell the boy friend to drive "Lizzie" a little faster the next time. Now for good hard work. Those terrible first six-weeks exams are over, and also vacation.

The girls of Shatzel already have made elaborate plans to do their share in making Homecoming a big success. We wonder what they are, but we will soon find out.

The girls of Shatzel Hall are extremely sorry to hear of the withdrawal of Mar-

## Commoner Gossip

Here we are, back on the air again—station CFH. From the looks of some of the faces around here, we don't want many more Friday vacations. Some of the boys bear evidence of having "put in tuff" week-ends. Too many "hot times" in the old home town. If the Professors get anything out of these faces in the next few days, they should be given "Doctor's Degrees in extraction." We've finally given our "smoker". Hope you had a good time fellows! Come back to see us again. Now we're going to entertain alumni for a week-end. I'll tell you the "happenings", in connection with this entertainment, next week.

Bravo! Five Brothers. We're with you 100 per cent. Can we cheer? Watch us! Let's have an all-college rally Thursday evening. Let the students help beat Toledo!

### Ye Olde Five Brothers

The "Fearful Five" group have at last laid plans for the annual Alumni Dance to be held at the American Legion Hall in the City Park. It is not certain if Herbie Zeigler's Hotcha-Whoopee boys with the Happy-Time-Harmony-Trio will be present to display their wares or if Guy Lombardo and his orchestra will play for the evening. The ballots have just about favored Herbie.

The Fraternity is going as a group to the Homecoming game with the idea in mind that their cheering may win the game. Two years ago Toledo, after having run wild for three quarters, became the victim of a well remembered pass that spelled defeat for the Rockets and victory for the Falcons. The Falcons have the stuff and fight if injuries would only leave them alone long enough to win a game.

Fraternity Frivolities: Who is Art's "Rumba" fire; Ernie seems a bit upset over the N. of M. Senior; Krusey expects to move down on N. Main in the near future; What has happened to the Stevenson-Martin heart balm; Wally must have forgotten about the "Lost Ameba" abode; Who is the Perrysburg dash man; Fry spends his time on Jackson St. where men are men; Lewis looks like a sure bet for Brown Award; Rev. John Moore and Olde Skull Deter can't take it, or should I ask a brunette and blond if this statement is true; More Fridays off so the boys have three nights in a row; the sign is finally resurrected and found in its appropriate place; Why does Mac go to the show every nite; about 17 members and neophytes help to produce wins on the gridiron; Keil can give the girls a break, quite a raise from a Model T to a Cadillac; the scribe has nothing to say about himself.

Yours for Five Brothers Spirit and until Nov. 7th so-o-o long.

garet Culbertson from school, due to eye trouble. Her jovial disposition and smiling face will be missed by all.

## SORORITIES

### Five Sister Forecasts

Here the first six weeks are gone, and Homecoming is upon us. What with our first rate team this year, the T. U. game Saturday looks plenty good. We surely need that Rally Thursday night, Five Brothers. Get these suit case-packer's spirits roused once, and added to the spirit of the loyal few, we can't be beaten. The Five Sisters are behind you, one hundred per cent.

It absolutely promises to be a Homecoming that is a Homecoming, this year. The Five Sisters have great plans, and can hardly wait until the week-end so that they can carry them out. They are expecting a large number of their alumni back, and won't there be a one grand time when all those Five Sisters get together? Well, just watch them celebrate.

### Seven Sister Flashes

Our plans for Homecoming are all completed, and we are ready to join with the rest of the student body in welcoming back all the former students. Of course, we will attend the football game Saturday, and Saturday evening our annual Homecoming dinner is scheduled at the Women's Club.

We want to take this means of thanking Miss Nielsen, our sponsor, for the lovely dinner last Tuesday evening, Oct. 23. It marked the initiation of Rosemary Ketzenbarger and Jeanette Haas into the Seven Sister Sorority. A pink and silver color scheme was carried out in the candles, flowers and place cards.

### Three Kay News

Members of the Three Kay sorority entertained about twenty of their campus friends at a delightful tea Tuesday afternoon. The new sorority house which is located on the corner of N. Main and West Evers ave., proved a charming background for the pretty affair. The tea table was delightfully arranged with a centerpiece of white carnations and green ferns emphasizing the sorority colors, green and white. Yvonne Michels, president of the sorority, poured.

### Shatzel Hall Notes

Twelve Shatzel girls whose birthdays were in October were honored with a big dinner and a birthday cake Wednesday evening, Oct. 24. The dining room was dimly lighted, and Jack-O-Lanterns were hidden in shocks of corn fodder. Several outside guests helped the girls to celebrate.

Vacation is over! From all reports the girls of Shatzel had an enjoyable vacation renewing friendships back in the "good old town." Numerous times the doorbell could be heard ringing after ten. Better tell the boy friend to drive "Lizzie" a little faster the next time. Now for good hard work. Those terrible first six-weeks exams are over, and also vacation.

The girls of Shatzel already have made elaborate plans to do their share in making Homecoming a big success. We wonder what they are, but we will soon find out.

The girls of Shatzel Hall are extremely sorry to hear of the withdrawal of Mar-

## Commoner Gossip

Here we are, back on the air again—station CFH. From the looks of some of the faces around here, we don't want many more Friday vacations. Some of the boys bear evidence of having "put in tuff" week-ends. Too many "hot times" in the old home town. If the Professors get anything out of these faces in the next few days, they should be given "Doctor's Degrees in extraction." We've finally given our "smoker". Hope you had a good time fellows! Come back to see us again. Now we're going to entertain alumni for a week-end. I'll tell you the "happenings", in connection with this entertainment, next week.

Bravo! Five Brothers. We're with you 100 per cent. Can we cheer? Watch us! Let's have an all-college rally Thursday evening. Let the students help beat Toledo!

### Ye Olde Five Brothers

The "Fearful Five" group have at last laid plans for the annual Alumni Dance to be held at the American Legion Hall in the City Park. It is not certain if Herbie Zeigler's Hotcha-Whoopee boys with the Happy-Time-Harmony-Trio will be present to display their wares or if Guy Lombardo and his orchestra will play for the evening. The ballots have just about favored Herbie.

The Fraternity is going as a group to the Homecoming game with the idea in mind that their cheering may win the game. Two years ago Toledo, after having run wild for three quarters, became the victim of a well remembered pass that spelled defeat for the Rockets and victory for the Falcons. The Falcons have the stuff and fight if injuries would only leave them alone long enough to win a game.

Fraternity Frivolities: Who is Art's "Rumba" fire; Ernie seems a bit upset over the N. of M. Senior; Krusey expects to move down on N. Main in the near future; What has happened to the Stevenson-Martin heart balm; Wally must have forgotten about the "Lost Ameba" abode; Who is the Perrysburg dash man; Fry spends his time on Jackson St. where men are men; Lewis looks like a sure bet for Brown Award; Rev. John Moore and Olde Skull Deter can't take it, or should I ask a brunette and blond if this statement is true; More Fridays off so the boys have three nights in a row; the sign is finally resurrected and found in its appropriate place; Why does Mac go to the show every nite; about 17 members and neophytes help to produce wins on the gridiron; Keil can give the girls a break, quite a raise from a Model T to a Cadillac; the scribe has nothing to say about himself.

Yours for Five Brothers Spirit and until Nov. 7th so-o-o long.

## SORORITIES

### Five Sister Forecasts

Here the first six weeks are gone, and Homecoming is upon us. What with our first rate team this year, the T. U. game Saturday looks plenty good. We surely need that Rally Thursday night, Five Brothers. Get these suit case-packer's spirits roused once, and added to the spirit of the loyal few, we can't be beaten. The Five Sisters are behind you, one hundred per cent.

It absolutely promises to be a Homecoming that is a Homecoming, this year. The Five Sisters have great plans, and can hardly wait until the week-end so that they can carry them out. They are expecting a large number of their alumni back, and won't there be a one grand time when all those Five Sisters get together? Well, just watch them celebrate.

### Seven Sister Flashes

Our plans for Homecoming are all completed, and we are ready to join with the rest of the student body in welcoming back all the former students. Of course, we will attend the football game Saturday, and Saturday evening our annual Homecoming dinner is scheduled at the Women's Club.

We want to take this means of thanking Miss Nielsen, our sponsor, for the lovely dinner last Tuesday evening, Oct. 23. It marked the initiation of Rosemary Ketzenbarger and Jeanette Haas into the Seven Sister Sorority. A pink and silver color scheme was carried out in the candles, flowers and place cards.

### Three Kay News

Members of the Three Kay sorority entertained about twenty of their campus friends at a delightful tea Tuesday afternoon. The new sorority house which is located on the corner of N. Main and West Evers ave., proved a charming background for the pretty affair. The tea table was delightfully arranged with a centerpiece of white carnations and green ferns emphasizing the sorority colors, green and white. Yvonne Michels, president of the sorority, poured.

## From The Training School

The third grade has been making a tour of the campus so that they may learn the location and descriptions of the buildings. They are doing this in connection with their study of directions. Later they will visit the inside of the buildings and see the work done there.

The third grade is also preparing for Hallowe'en. They will have a Callithumpian parade of their own this afternoon in Hallowe'en costumes. They have been reading stories of this season and are getting ready to dramatize them. The masks and costumes will be of their own manufacturer.

The fourth grade of last year made a large crayon drawing of Columbus' ship on the way to America. Mr. Powell has framed it and it has been hung on the wall in the front of the classroom.

Their art work class is now studying related colors and is making designs in blocks of related color.

The fourth grade is also compiling a book of the things which Admiral Byrd is doing at the South Pole.

Sixth grade boys are being taught to play soccer by students of Physical Education. They are very enthusiastic about the game and play every chance they get.

## RIDGE STREET NEWS

The second grade wrote invitations to the first grade inviting the children to a Hallowe'en party. It will be in the auditorium. The children will dress up, and they will have a parade.

The 3-2 class were perfect in attendance during September.

The third grade is having a good time studying about Switzerland.

Miss Roth and Miss Reed spent three months abroad this summer, eight weeks in England, Scotland and Wales. They saw the Passion Play at Oberammergau, and spent a week in Switzerland on the way back to the British Isles. They report a delightful trip.

Seven FERA workers are busy at the Ridge Street school, one to each critic. Fifty hours per month of clerical work for each room is a real blessing.

## NEW DEAL RALLY AT PUNKIN CENTER

Monday, Oct. 29th will go down in political history as the date when all platforms were upset. Its being almost Hallowe'en, this will probably be overlooked by the authorities of Punkin Center and put down as a prank of the Lutheran students who will set up their own platform on that evening in the Women's Gym where the Punkin Center New Deal Rally is to be staged at 7:30 o'clock.

The platform will probably include:

L—Bigger and Better Pumpkin Pies for All.

S—Wider Cuts of the Same.

A—Less Crust and More Dough.

A torch light parade will precede the main speaking. Many things will be upset besides the platform before the evening is over as Henry Goranson will be running against Arthur Knape for the office of Mayor of Punkin Center.

The student committee is composed of the following members who have been assigned to program, decoration, and promotion groups: Virginia Banning, Hope Conrad, Mabel Grauer, Loyal Gryting, Henry Goranson, Paul Imbrock, Arthur Knape, Evelyn Kratzer, Frances Raifsnnyder, Dorothy Burras, and Mary Owen.

This is the annual Lutheran Student Association Rally meeting which is held for the purpose of uniting all the Lutheran students on the campus in a closer fellowship.

Now is the time for all good men to come to the aid of the party.

Your support will be appreciated.

### —Look Up—

Have you lifted your nose from your book long enough to see the beautiful fall colors? A walk over the campus will show great variety in patterns and shades too beautiful for any but the greatest poet to describe. Beautiful as they are they do not yet quite equal those farther south. The reason for this is that the heat from the waters of Lake Erie protects the surrounding country from severe freezing. Even though the lake is twenty-five miles away we can see that it modifies our climate if we are to travel into southern Ohio at this time of year. What Bowling Green lacks in bright foliage is compensated by the busy squirrels who are not so evident farther south.

## Bowling Green Defeats Capital, 13-0

### Lewis and Wallace Score; Stephens Fails to Score After 68 Yard Run

The Bowling Green eleven spoiled the glamorous homecoming celebration of Capital University last Saturday. A crowd of over 1500 watched the line plunging Bee Gee move to victory. The stiff wind played havoc with the punting and aerial attacks of both teams.

#### First Quarter

Capital kicked off to Bowling Green to the 18 yard line from where they failed to gain in three plays. Lewis punted. A pass from Withrow to Swinehart gained 18 yards and placed the ball on B. G. 35 yard line. A forward lateral from Withrow to Swinehart to Taitos placed the ball on the 16. The Lutherans failed to gain. Bowling Green took the ball on downs. Inman fumbled and Frederick recovered on the B. G. 16. B. G. punted out of danger after holding them for downs. The first period ended, Capital 0, Bowling Green 0.

#### Second Quarter

Early in the second period Reed, right guard, recovered Withrow's fumble on the Lutherans 25 yard line. In four plays the Orange and Brown team moved the ball to the 10 yard stripe. B. G. was held for downs and Schellhase punted to his own 30. Here began the real offensive drive of Bowling Green. The backs clicked and the line opened holes while Inman, Lewis, Riffle and Albon carried the ball to Capital's 5 yard line. Lewis completed this march when he plunged for a touchdown from the four yard marker, off left tackle. Inman took the ball over for the extra point while Brooks stood with hands raised, awaiting the ball. The score at the end of the second period was Bowling Green 7, Capital 0.

#### Third Quarter

In the opening of the second half Inman and Schellhase engaged in a punting duel. Inman gained a decided advantage. Inman's best punt carried the ball to Capital's six yard line. Schellhase punted and Albon returned it to Capital's 24. A pass from Inman to Wallace in the end zone resulted in the touchdown. Ringer failed to plunge the line for the extra point. Withrow returned Inman's kick off to Capital 32 yard line as the quarter ended. Score, Bowling Green 13, Capital 0.

#### Fourth Quarter

In the fourth period Capital again

started a pass attack which ended with Bob Lewis intercepting a pass. Stephens punted to Capitals 20. After an exchange of punts, Capital started another pass attack from Bee Gee's 39 yard line. Capital passed bringing the ball to the 28 making a first down. Stephens intercepted the next pass and galoped 68 yard to a touchdown, but a clipping penalty brought the ball back to Bee Gee's 48 yard line. Both team had a large number of reserves enter the game at this time and nothing outstanding occurred. Final score, Bowling Green 13, Capital 0.

Dave Withrow and Bob Lewis were the two most consistent ground gainers. Jan Taitos and Hance Swinehart were the Lutherans' outstanding defense men. Wallace and Stephens were Bee Gee's outstanding linemen. Inman proved to be a great help with his successful punting and line plunging. Capital had eight first downs to the Falcons' nine.
